

**COMPANY POLICY STATEMENT ON CONFLICT OF MINERALS**

Cursey Technology Limited is totally against and supports a swift end to the violence and violation of human rights in the mining of minerals from what has come to be known as 'The Area of Conflict', that being the Democratic Republic of the Congo and its surrounding countries.

Cursey Technology Limited has applied the necessary due diligence with its suppliers, including provision of written statements, to confirm that, any purchases made by Cursey Technology Limited, of tin, tantalum, tungsten and gold do in fact originate from outside of the Conflict Area.

Cursey Technology Limited will never knowingly purchase products that contain conflict minerals that directly or indirectly finance or benefit armed groups in the DRC or any of its adjoining countries. Cursey Technology expects its suppliers to respect the declarations of its business and to only source minerals from responsible sources outside of the Conflict Area.
